

Congratulations 30 years in Rotary

22nd December 1981, Hans Hoegh-Guldberg was inducted into The Rotary Club of Lindfield.

During his time in Lindfield he held several directorships and was president in 1989-90.

The Rotary Club of Lindfield was very active in introducing Polio Plus in the Sydney area. Lindfield was also active in youth exchange, and Isobel and Hans were hosts to about ten exchange students from Japan, Indonesia, Denmark, the UK and America.

In 1988, Isobel and Hans decided to move to Oberon. They built their house and moved into Titania Park in 1995. Hans joined the Rotary Club of Oberon.

He was club treasurer for three years in the late 1990s and became the 1999-2000 president.

He was an excellent bulletin editor for several years, commencing in 2001, and among the first to utilise the internet within the Club.

He was the champion of environmental issues in the Club and District; and constantly reminded members of the internationality of Rotary.
